

PACKAGING TECHNICIAN

FULL-TIME • LITTLE BROWN JUG BREWING • WINNIPEG, MANITOBA

OVERVIEW:

We are seeking a Packaging Technician to join the Little Brown Jug team. The successful candidate will work alongside our brewing/production team and be responsible for managing all packaging operations. Mechanical or millwright training or experience is important, as the Packaging Technician will be responsible for the ongoing maintenance and operation of our canning line and kegging machine.

COMPANY:

Little Brown Jug is a production brewery in an old livery on the edge of the Exchange District in Winnipeg, Manitoba. Since opening in December 2016, Little Brown Jug has built a driven, professional, dynamic team that is encouraged to take initiative and provide input to business decisions. We are seeking a highly motivated individual to join this team.

Little Brown Jug's core values are Honesty, Quality and Community. These values inform everything we do, from how our product is produced, the community events we host, our relationship with our accounts, and how we engage with our team. As Little Brown Jug is a young company, the successful candidate will have opportunity to grow as the business does.

DUTIES:

- Set up, operate and tear down canning line and kegging machine
- Perform regular maintenance and calibration of canning line and related equipment
- Identify, troubleshoot and communicate problem areas to management
- Monitor and record packaging operations
- Train and supervise packaging employees
- Communicate openly with brewers/management
- Inspect and clean machinery

REQUIREMENTS:

- Strong mechanical understanding and abilities
- Training or knowledge in operating production machinery
- Experience training and supervising other employees
- Able to lift 150lb kegs repeatedly
- Experience as packaging manager is an asset
- Ability to identify improvements to increase quality/efficiency
- Excellent judgement and promote safe work environment
- Good communication skills
- Strong team player
- Driven and self-motivated
